We have two Victorian styles houses: The Terrace Hill that sleeps 8 and the White Rose that sleeps 13. While your family and friends stay in the houses, we offer the honeymoon couple a choice of luxury a suite in our Carriage House or Gate House located in the midst of huge oak trees. You can relax in a whirlpool bath for two, sit on the deck and enjoy a spectacular view of the Wisconsin River, and experience the coziness of a mock wood-burning gas stove. For additional guests we have a motel with a maximum occupancy of 102 guests.

The standard packages can be tailored to meet your expectations of your wedding day, for example, live music, photography, fresh flowers, buffet or picnic reception.

A wedding for us at the White Rose is not just about two people getting married and having a lovely dinner. It is about the total experience of two people expressing their love and commitment to each other and celebrating that love and commitment.
